

MEISTERSTÜCK OYO DUO

- An unprecedented Egg Shape design made of sustainable steel enamel by means of the highest German engineering skills
- A graceful design sculpture that integrates harmoniously into the bathroom space, flowing and almost seeming to float
- Inspired by Japanese porcelain design: the double-walled product impresses with its minimal organic lines and elegant functionality
- The inner shape offers maximum lying comfort, even for two people, with two identical backrests and a central waste
- Installation instructions: The free space under the bathtub enables installation without a screed recess, as the waste fitting can be sunk into the bathtub body
